

Campaign Sign Placement

Campaign signs for candidates are permitted with the permission of the property owner or lessee on residential property and agricultural property. Campaign signs are NOT permitted to be placed in public right-of-way or property owned by the state, county, or city.

On Election Day, campaign signs shall not be placed on the premises of any polling place or within 300 feet of an outside door where the polls are held. This includes signs on any motor vehicle, trailer, semi-trailer, etc., parked on public property.

Campaign signs are prohibited on the premises of absentee voting sites during the hours when absentee ballots are available. This includes signs on motor vehicles, trailers, semi-trailers, etc.

For more information on campaign sign placement, please contact:
