Supervisor Fox introduced and moved to adopt the following Resolution, Seconded by Supervisor Brouillette:

**RESOLUTION NO. SR 26-02**

Whereas, Section 306.41 of the Code of Iowa, 1992, provides that:

The agency having jurisdiction and control over any highway in the state, or the chief engineer of said agency when delegated by such agency, may temporarily close sections of a highway by formal resolution entered upon the minutes of such agency when reasonably necessary because of construction, reconstruction, maintenance or natural disaster and shall cause to be erected “road closed” signs and partial or total barricades in the roadway at each end of the closed highway section and on the closed highway where that highway is intersected by other highways if such intersection remains open. Any numbered road closed for over forty-eight hours shall have a designated detour route. The agency having jurisdiction over a section of highway closed in accordance with the provisions of this section, or the persons or contractors employed to carry out the construction, reconstruction, or maintenance of the closed section of highway, shall not be liable for any damages to any vehicle that enters the closed section of highway or the contents of such vehicle or for any injuries to any person that enters the closed section of highway, unless the damages are caused by gross negligence of the agency or the contractor.

Nothing herein shall be construed to prohibit or deny any person from gaining lawful access to the person’s property or residence, nor shall it change or limit liability to such persons.

Now therefore be it resolved by the Board of Supervisors of Monona County, Iowa, that Charles Bechtold, P.E., the County Engineer, be authorized to close Monona County Secondary Roads as necessary with the actual dates of closure to be determined by the County Engineer, as follows:

**For Construction:** Any project as described in the approved Monona County Secondary Road Construction Program or any approved supplements thereto in the calendar year of 2026;

**For Emergency Closure of Any Road for Maintenance Purposes:** Any route deemed necessary by the County Engineer. If closure is to be for an extended time, it will be resolved by resolution at the next meeting of the Board of Supervisors.

**For Closure of Any Road for a special Event:** Any route requested by a recognized sponsor or public entity for an event that the public is invited to attend.

All road closures will be designated with signs in accordance with the Manual of Uniform Traffic Control Devices.
